Eat, Drink @ Derwen

Choose from a range of home-cooked meals, salads, snacks or cakes in one of our food outlets.

The Orangery Restaurant, set within the original Georgian house on-site, provides an elegant setting for our tasty menu using local and homemade ingredients wherever possible. Choose from the Classic Orangery menu, daily specials or pop in for breakfast from 10am. A great venue also for private parties and functions.

You will find a great place for families to relax and enjoy a laid-back lunch at the Garden Café. Little ones can enjoy running around in the play area next to the café and choose their own children's meal. The homemade cakes are baked on site - so no need to worry about food miles here.

Shop @ Derwen

Come in and take a look at the great range of plants, trees, seeds and giftware in the Garden Centre and shop. Not sure what you are looking for? Just ask one of the team here and share their expertise and passion for gardening. Open year round to supply seasonal products.

You will also find fresh baked bread, local produce and of course the fantastic range of jams and chutneys made on site. Beautiful artwork, cards and gifts in the dc Handmade range and student designed upcycled furniture are also sold in the shop.

Look out for our range of products with the dc Handmade stamp on. This range has all been made by students on site here.

Karten Print Shop @ Derwen offer professional quality, small print runs of business cards, leaflets, greetings cards, wedding stationery and invitations. And larger items such as banners, posters and other promotional items. Bring along your own designs or choose to use the in-house design service.

Derwen students work in all of these areas as well as producing the breads, cakes, jams and chutneys, upcycled projects, gifts and artwork. Your visit provides amazing life changing skills for our students. Thank you.
