

# Reasons to help

Your support will enable  
more young people:

- to be empowered to make their own choices
- to be more independent
- to play an active role in their local community
- to learn about community values
- to become confident to manage relationships
- to be proud of where they live
- to be just like other people living away from home for the first time

Where Learning Comes to Life

# As one of our supporters you:

can be part of our story

can benefit from the buzz around our national story

can benefit from networking opportunities

will be updated on events and offers from the college  
including the eateries and outlets

can raise your profile within the local community

will have the opportunity to support a cause you  
believe in

can be part of our 'outstanding' future
