

Welcome to

*The Orangery
Restaurant*
@Derwen

Our story so far...

In 1927 Dame Agnes Hunt founded the Derwen Training College, which was originally based at the Orthopaedic hospital. Physically disabled young people could learn a trade and become partially or wholly self-supporting.

The Derwen Estate was purchased in 1928 and the trades for the students to learn included:

- Fancy leather and splint making
- Needlework and knitting-machine
- Surgical boot-making
- Upholstery and mattress making
- Tailoring
- Shopkeeping and café
- Cabinet making and joinery
- Metal and surgical appliances

Dame Agnes left us with an amazing legacy that has evolved over 90 years whilst maintaining her high standards and strong desire to lead the way.

In 1999 The Orangery Restaurant opened on this original site where the college was founded.

Today The Orangery Restaurant provides invaluable work experience opportunities for students and is open six days a week.

Thank you for your support
