

The Sunflower

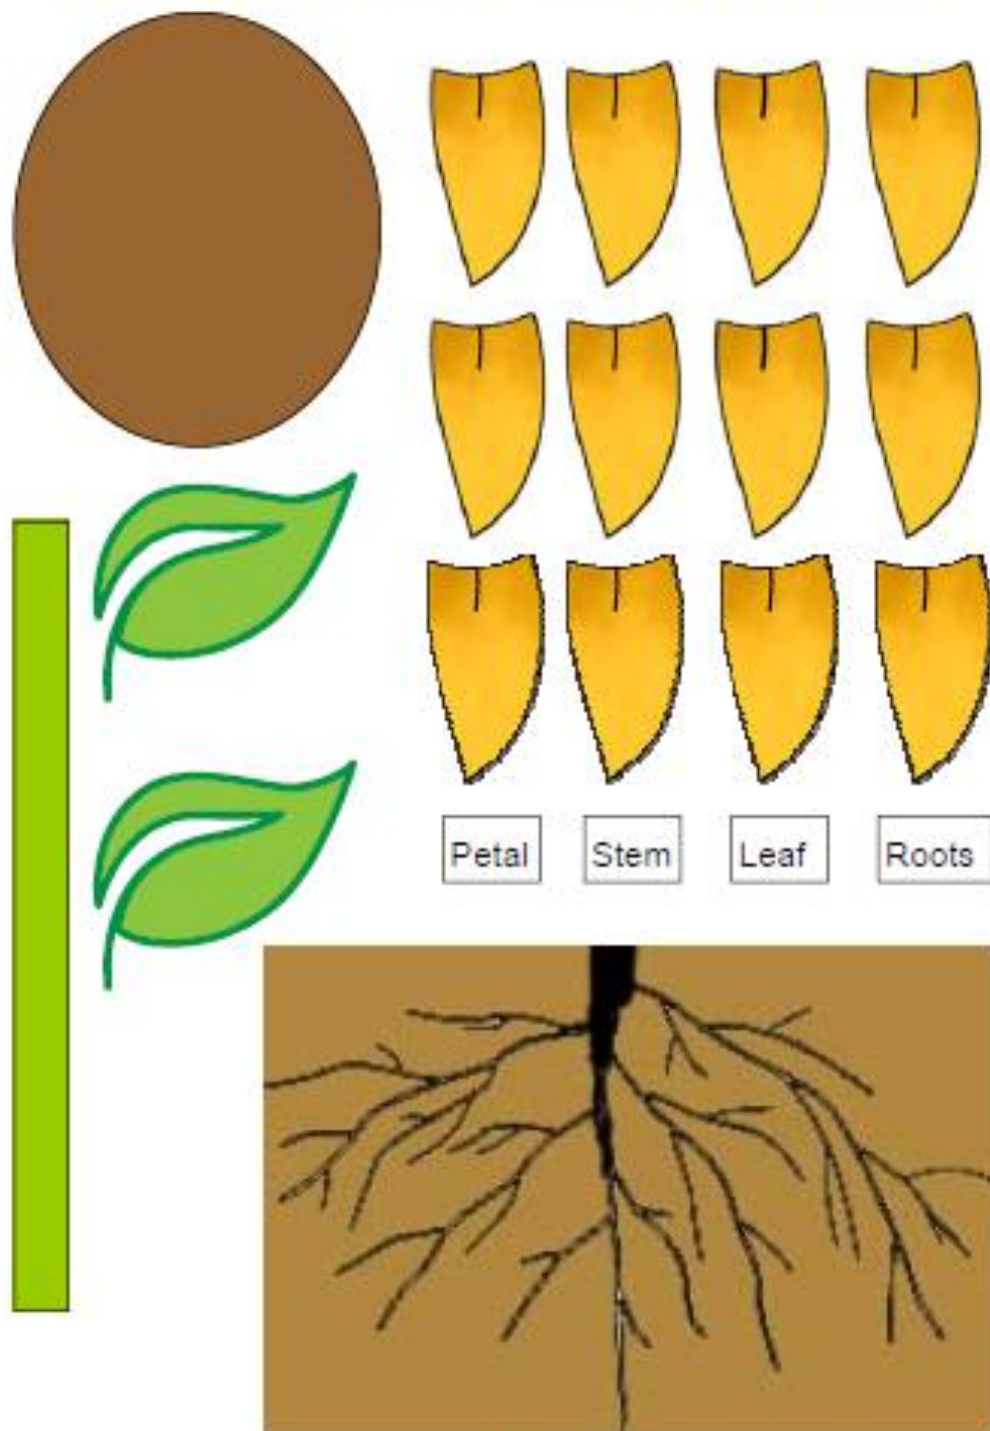

Can you label the parts of the sunflower?

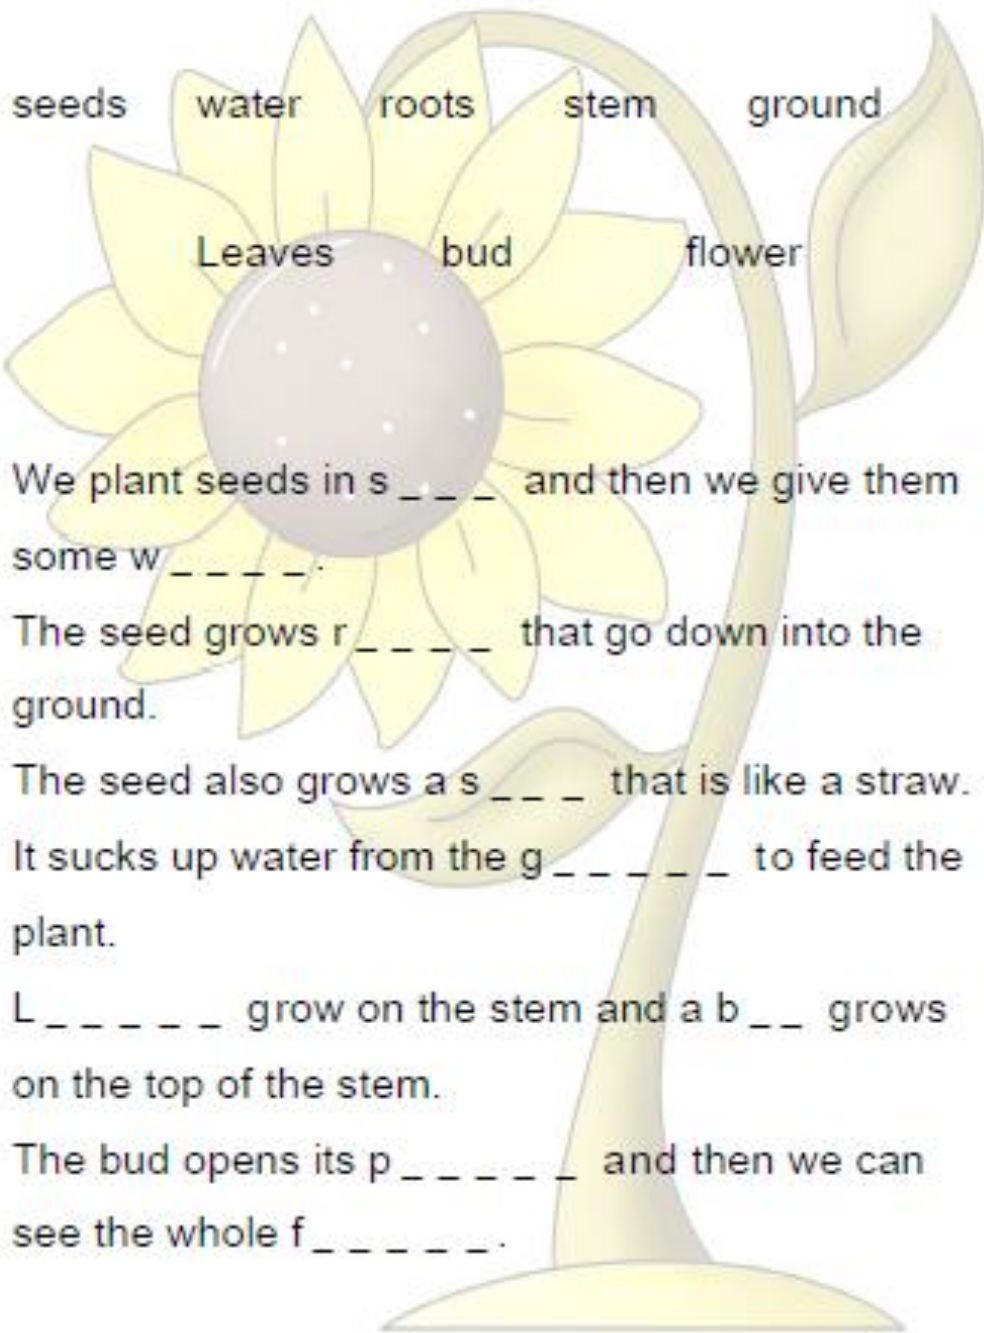

Root Leaf Petal
Seed Stem

Can you make a sunflower and stick the labels on?

Can you fill in the missing words?

We plant seeds in s _ _ _ and then we give them some w _ _ _ _ .

The seed grows r _ _ _ _ that go down into the ground.

The seed also grows a s _ _ _ that is like a straw. It sucks up water from the g _ _ _ _ _ to feed the plant.

L _ _ _ _ _ grow on the stem and a b _ _ grows on the top of the stem.

The bud opens its p _ _ _ _ _ and then we can see the whole f _ _ _ _ _ .
