Definition of an Entrepreneur

“An entrepreneur, quite simply, is an individual who owns and operates their own business”

These people are well known Entrepreneurs. They appear on the popular business programme ‘Dragons Den’ and in the programme they are called Dragons.

Tasks:

1. Visit the following website, click on each Dragon's profile and make a Powerpoint presentation about how each Dragon has become an Entrepreneur.
www.bbc.co.uk/dragonsden/thedragons/evan.shtml
2. What skills do these entrepreneurs have which make them successful. Examples may include; good communication, creativity, good decision maker, risk taker, good team player etc
