

Shop Challenge

Some of you may have seen our daily alphabet challenges on our Instagram page. Our students have been listing shops beginning with different letters, we have therefore decided to do a range of shop challenges

Google Research

1. How many Asda stores are there in Wales?

2. How many Asda stores are there in England?

3. Copy and Paste a map showing where the closest Asda is from your house.

4. When did the first Asda store open?

5. Where did the first Asda store open?

Asda store research

Use Asda's online store to find out the price of each item listed below

Name of item (extra points for correct spellings):

Price of item:

Name of item (extra points for correct spellings):

Price of item:

Name of item (extra points for correct spellings):

Price of item:

In column 1, list your 10 favourite items to buy from the supermarket

In column 2, tick if Asda sell these products

In column 3, write the cost as listed on the Asda online shopping website

1

2

3

Use a calculator to work out the total cost of the items on your shopping list that are available in Asda

£	.	p
---	---	---

Use Asda's online store to check whether you can get a home delivery?

Yes, home delivery is available

No, home delivery is available

If yes when is the earliest you can get a delivery?

In the News – social media challenge

Can you find a recent News article on a retail store?

Summarise this article and send it to Sioned. (Sioned.davies@derwen.ac.uk)

Your article can be typed or sent via video.

'We Transfer' on google is a great way to send over videos.
