

The impact of internet shopping

Produce an A3/A4 presentation about the impact of Internet shopping on the High Street. Use Amazon and a store in your community as an example.

Include two tables with the following headers:

Advantages of shopping online	Disadvantages of shopping online

Advantages of shopping on the High Street	Disadvantages of shopping on the High Street

Amazon states it has a positive impact on the UK economy.

Within your presentation include a spider diagram showing the beneficial impacts of Amazon.

Think about

- ✓ Opening hours
- ✓ Range of products
- ✓ Delivery
- ✓ Cost

Competition with the High Street might result in stores closing. What might be the impact on the High Street?

Complete a flow diagram to fully explain the potential impact.
