Governors complete a set of annual returns which includes a Declaration of Eligibility. This may include but is not limited to:

- Frank discussion with the governor concerned
- Checking with others facts and details
- Written communication formalising a concern and required/desired action/outcome
- Reporting to the Board
- A proposal for resignation or dismissal from the Board.

The College's Articles of Association para 8.13 applies and includes the disqualification of a governor:

- in accordance with any rules made by the Board for the purpose of disqualifying a person... in circumstances considered by the Board to be material: and
- by unanimous resolution of the other Trustees

Concerns about the fitness of the Chair should be reported to the Vice Chair and the Principal.
