

Staff Newsletter

Covid 19 ..

Welcome back!

A very warm welcome back to all of you after an unprecedented year. We look forward to the new term with colleagues and students back on site. We have implemented changes in response to the situation and we thank you all for the efforts you are undertaking. **Thank you and welcome back all from Senior Leadership Team.**

You can access up to date policies and documents relating to Covid 19 on the Covid 19 link on the front page of Sharepoint.

Reminder ... Please send the HR50 Visitor and Contractor Health Questionnaire to visitors/contractors you have invited, and will be coming on site, before they arrive.

Tip Top Takeout - The new takeaway menu

for staff is available from Monday from the Orangery Restaurant and the menu is attached.

Quality Assurance Calendar

You can view the Quality Assurance Calendar

Staff Leavers

We would like to thank the following staff for their work with Derwen.

Joy Rush, Data and Examinations Manager

Claire Walters, Support Practitioner

Sian Wiseman, Teacher

Gareth Kros, Support Practitioner

Congratulations

A huge well done to Morag Hunter who has completed Level 3 Sensory Integration Practitioner qualification.

Defibrillators

A reminder that there are two defibrillators on site. One is located outside the Wellbeing Centre and the other is on the swimming pool building. The code is C159X.

Long Service Awards

Thank you to the following staff who celebrate their Long Service Awards for all your work and commitment to Derwen

Emma Milrose – 10 years (01/09)

Gail Beasley – 10 years (06/09)

In June 2020:

James Worthington – 10 years

In July 2020:

Kelli Jones – 10 years

Erica Jenks – 10 years

Welcome new staff

We welcome the following staff to Derwen.

Daniel Rowley – Head of Digital Services & Technology

Jakkii Mickle – Garden Centre Operative

Hannah Martin – Support Practitioner/LSA (Telford)

Cadbury Court

As from this term Cadbury Court will be an isolation unit if needed. Please contact Paul Lindop if you have seen items of furniture in there that you may think useful for your own work area as we need to ensure there is equipment and furniture in there for the residence to function in its new role.

Student numbers

As funding confirmations continue to come in we can provide an update on new student numbers.

New students—40 including satellites

Total number of students— 127
